Executive Producer, Pete Brown - "Michael has a incredible gift. Mad tech knowledge, creative vision is awesome, and his work ethic is unmatched. A freak of camera!"

Executive Producer, Frank Kraljic - "Michael, is your go-to person for pretty much anything do with production from handling technical troubleshooting to creative direction. He is resourceful and a pleasure to work with knowing how to handle himself and the crew through trying schedules while maintaining a positive attitude. Moreover, Mike cares about his work and the project as much as you do, and that is invaluable."

Top qualities: Personable, Good Value, High Integrity

Jonathan Roberts, Member Manager, Comic Book Movies - "I had the opportunity to read and help develop a feature length motion picture script called The Ice House with Michael. He is a very talented and imaginative writer with strict attention to detail and always follows a cohesive story line. I look forward to working on another creative project with him and recommend his work. Top notch!"

Monica Ramone - Executive Producer - "I worked with Michael as the Technical Manager on the "SUNSET DAZE" TV show. He is dedicated, easy to get along with and is definitely "Mr. Technical". Michael really helped us with P2 card media management for Post Production."
